MEDICAID PROVIDER MANUAL UPDATE

TO: All Assisted Living Services providers participating in the Virginia Medical Assistance Program, Managed Care Organizations providing services to Virginia Medicaid recipients, and all holders of the *Assisted Living Services* Medicaid Provider Manual

FROM: Patrick W. Finnerty, Director
Department of Medical Assistance Services

SUBJECT: Update to the Second Edition of *Assisted Living Manual*

UPDATE: AL-01-04
DATE: 4/21/2004

The purpose of this memorandum is to notify you of changes to your provider manual. The attached table shows the changes to the manual. Please download and insert the new pages in your manual and retain the attached table.

Amendments to Chapter V include information regarding the two types of Targeted Case Management Services and updated billing information.

For dates of service on or after May 1, 2004, providers will no longer use the national code **T1017** when billing for ALF Targeted Case Management Services. Providers are required to use the national code **T2022** when billing for ALF Targeted Case Management Services instead of national code **T1017**. The rate paid for this service remains at \$75.00 per quarter. The Department of Medical Assistance Services (DMAS) has found it necessary to change the national code previously used for this service to a new, available national code. Please begin use of the new code, **T2022**, with all dates of services on or after May 1, 2004. Use of any other national code for this service will result in a denial of reimbursement.

Please Note: National billing codes must be used on all invoices. Claims submitted with local codes with dates of service on or after January 1, 2004, will be denied. A local/national billing code crosswalk is available on the DMAS website.

Please review these changes carefully.

ELIGIBILITY AND CLAIMS STATUS INFORMATION

DMAS offers a web-based Internet option to access information regarding Medicaid eligibility, claims status, check status, service limits, prior authorization, and pharmacy prescriber identification information. The website address to use to enroll for access to this system is <http://virginia.fhsc.com>. The MediCall voice response system will provide the same information and can be accessed by calling 800-884-9730 or 800-772-9996. Both options are available at no cost to the provider.

COPIES OF MANUALS

DMAS publishes electronic and printable copies of its provider manuals and Medicaid Memoranda on the DMAS website at www.dmas.virginia.gov (*please note the new DMAS website address*). Refer to the Provider Column to find Medicaid and SLH provider manuals or click on “Medicaid Memos to Providers” to view Medicaid Memoranda. The Internet is the most efficient means to receive and review current provider information. If you do not have access to the Internet, or would like a paper copy of a manual, you can order these by contacting Commonwealth-Martin at 804-780-0076. A fee will be charged for the printing and mailing of the manuals and manual updates requested.
